REQUEST FOR INITIALED PTO FORM 1449

Upon reviewing the file, applicants noted that they have not received an initialed copy of the enclosed PTO Forms 1449 that accompanied the information disclosure statement filed July 11, 2002 and the Supplemental Information Disclosure Statement filed March 4, 2005.

Applicants' records show that these information disclosure statements complied with 37 CFR 1.97. Thus, we respectfully request that the Examiner initial and return these forms as soon as possible.

A copy of the Information Disclosure Statement filed July 11, 2002, along with the stamped postcard is attached for your convenience.

With respect to the Information Disclosure Statement filed March 4, 2005, we request that the Examiner initial corrected Desig. IDs "AY" (**in bold print**) to correct a typographical error in the inventor's name and "CF" (**in bold print**) to correct a typographical error in the document number and country. A copy of the Information Disclosure Statement filed March 4, 2005, along with the stamped postcard is also attached for your convenience.

Note, applicants must pay the issue fee by June 11, 2005, so the Examiner's prompt attention to this matter would be appreciated.

Respectfully submitted,

Date: 5/11/05
